Call of Duty Elite, Call of Duty's premier content destination for fans, will expand to PlayStation 3 on August 1st. Players will be able to enjoy Call of Duty Elite across all their PlayStation platforms, including the PS4 and PS3, with the PS3 version having a host of enhancements over its PS4 counterpart. The PS3 version of Call of Duty Elite will include the following features:

- Play all the Game Extras you love, wherever you are.
- Keep your Game Extras even after you finish playing the game.
- Play with friends in multiplayer matches using Game Extras from your console and PC.
- Get creative with the Game Extras Editor and share them with your friends.
- Create custom multiplayer and campaign modes with Game Extras using tools you download directly to your console.

Call of Duty Elite is a free download for all PlayStation 3 owners. PS3 users will receive an email notification to download the content. Call of Duty®: Advanced Warfare™ is rated "M" (Mature) by the ESRB for Blood and Gore, Intense Violence, Strong Language, and Strong Sexual Content.
